

# RE/MAX Tech: Get The Deets Here

## Need More Leads?

At RE/MAX, we understand that a steady stream of new opportunities is the life source of a successful real estate practice.

Join the RE/MAX network and you will get immediate access to its vast lead generation capabilities:

- Get leads locally, regionally, nationally and globally
- Capture consumer interest early in the buying cycle with “local expert” leads
- Get leads on your listings
- Earn referrals from within the vast RE/MAX network - over 140,000 agents in more than 110 countries

## Are You Better at Graphic Design or Selling Real Estate?

Effectively marketing your listings online is a must-do for any listing agent today. Sellers demand more exposure than simply posting their home on the MLS.

This is an area where Innovative RE/MAX technology can go to work for you:

- Automated generation (and updates) of marketing materials for every listing
- Automated posts to your social media as your listings pass through the selling cycle
- Low cost, and hassle free listing ads are automatically generated

## Be on Top of Your Game With Our Killer Training and Support!

At RE/MAX, tech education and support is not a claim - it's REAL. A vast learning library, live interactive workshops and active social community lets you learn in whatever way fits you.

The more you learn, the more you earn!

## Does Your Sphere Look More Like A Blob?

In real estate you know lots of people - prospects, clients, friends and family. Keeping them organized is essential to sustainably growing your business across your career.

With RE/MAX Tech, you get:

- A feature-rich CRM fully integrated with RE/MAX lead generation
- Automated marketing tools, multiplying your effort - be in more than one place at the same time
- With the RE/MAX-exclusive, AI-driven tool, your sphere is continuously being monitored, alerting you in real time when someone is likely to buy or sell.

## Is Growing Your Online Presence A Fantasy or Reality?

Reality is all that counts when it comes to online marketing. RE/MAX has this figured out.

You hit the ground running with RE/MAX. Right out of the gate you will get:

- A designer-quality, mobile friendly personal website is yours to customize as little, or as much, as you want
- Google will start showcasing you as the local expert to consumers interested in your market
- Professionally designed content you can use to fuel engagement across your social channels
